Ms. Donna Searcy,  
Secretary,  
Federal Communications Commission,  
1919 M St. N.W.,  
Washington, D.C., 20036.

Dear Ms. Searcy,

Although I was opposed to the reregulation of cable TV, I would like to commend the commission for the flexibility of the proposed Local Service Price Index regulatory mechanism for reviewing cable rate increases. It is an ingenious mechanism for greatly reducing compliance and administrative costs while reassuring proponents of the law that their goals have been met.

Yours sincerely,

Rudolph G. Penner
